APRIL & MAY - HEALING HANDS OF HOPE!

Above: April saw Dr. Scott Packham from Camarillo, CA and Dr. Caroline Shaw from Seattle return to provide care for the children from the Orlat Placement Center and the Turnu Rosu Special Education Center. They provided 82 fillings, 116 sealants, 48 cleanings, 56 fluoride treatments, 14 extractions and 3 root canals!

Right: Both teams provided mentoring and instruction to the 5th and 6th year dental students, a blessed time for all!

Below: The last week of May, Dr. Adrian Catuna from Hillsboro, OR and hygienist Kristy Marxer from Montana provided care to the children from the Agarbiciu Placement Center and the Orlat Placement Center, seeing 41 children total! The children were so happy when Adrian and Kristy were able to visit the Orlat Center and share an orange for the afternoon!

CAMP OF THE GOOD SHEPHERD

Camp of the Good Shepherd will welcome 350 children this summer for a week of Christian compassion, nurture and nourishment! Camp starts June 26th and as of this writing we have 201 children sponsored ~ with 149 to go. Will you consider sponsoring one of these dear children in need? \$65.00 will provide for a child to leave their institution or difficult circumstance and be embraced with the love of Christ and have the opportunity to develop a life-long relationship with Him to sustain them in their darkest hours and through eternity. We thank you for any consideration you can give at this time.
