

HEART OF HOPE MINISTRIES INTERNATIONAL

CAMP OF THE GOOD SHEPHERD TEAM #3 CAMARILLO COMMUNITY CHURCH TEAM!

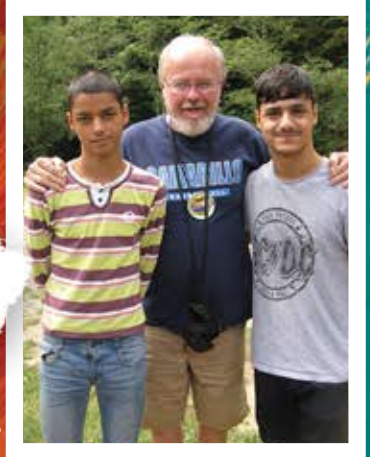

July 13th-29th Camarillo Community Church will send it's 15th team to serve at Camp of the Good Shepherd! As you can see it is a diverse team in gender, age, and personality! Debbie says, *"It is my favorite type of camp team! Children have an innate ability to gravitate towards the personality they feel most comfortable around. For some children they are looking for the big brother or big sister, others seek out a parental or grandparental figure they feel at ease with. Some children thrive in the presence of the outgoing fun leader while others rest in the presence of a shy or reserved team member. I am grateful each time I see the Lord*

provide just the right people to embrace those He loves so greatly with the love of His Son. No matter the diversity of this team it is the UNITY of the love of Christ that ties them together and will minister most greatly to those at camp this summer."

Charlie is a retired processing manager at Smucker's strawberry processing plant in Oxnard, CA. At 68 years young he will be returning for his 2nd time to Camp of the Good Shepherd, but this will be his first time leading. Charlie and his wife Cheri have attended CCC for 30 years and taught preschool Sunday School for all that time. They are now teaching children of some of their early preschoolers! Charlie has served on mission trips to Tijuana and to Las Vegas but last year the Lord led him across the world to Romania.

A CLOSER LOOK AT TEAM LEADER CHARLIE BARRETT

"I love children and have fun with them, I enjoy doing evangelism and mission trips. I so enjoyed helping the children of Romania, even if some were so hurting and challenging. I never dreamed last year that I would be in charge of the group having only gone one time. But with the help of the Lord and other previous leaders and volunteers guiding our totally new team we are ready to serve!"

The CCC Team will work once again with the youth age 14 and older from the Placement Centers. This is a tough group that has experienced many losses and hurts. Last year of the 11 young ladies at camp ~ more then half were already prostituting and 3 came pregnant to camp. Of the 23 young men many already have criminal files and a hard road ahead. Charlie simply loved them...and they knew it! A beautiful example of how Jesus would welcome each of them...praying they choose HIM. Pray for this wonderful team and the youth they will serve to choose a Savior that will walk with them through this life and into eternity.

SAVE THE DATE!

Please join us for the annual The Presence of Hope Benefit Auction and Dinner! Mark your calendars for the following dates and locations to join us for a remarkable evening of testimony, update, and encouragement for each and every one of our friends and partners. We encourage you to invite friends or family that may want to learn about how they too can minister to an orphan or marginalized person in this big world. Be prepared to be encouraged and meet those, like Charlie and others, that have traveled this very year to provide hope and healing to the hurting.
